P. 28

Target Study : Reading & Writing

Expression : There aren't enough schools in Bangladesh.  
But the children love to study.

日本に帰ってきた由美が、しばらくしてからジヨナに手紙を書きました。まずは、教科書の手紙を読んでみましょう。

Dear Josna,

I was glad to meet you and your friends. Thank you very much for a wonderful time.

I told my classmates about my study tour. They want to do something, too. We are going to collect used stamps.

Please say hello to your parents and sisters for me.

Your friend,  
Yumi

上の由美の手紙を参考にして、あなたも「由美の立場」でジヨナに手紙を送ってみましょう。
